Description

Stunning spherical vase, "Mappemonde" model (also known as "Boule Coloniale"), made of Longwy enamel. This iconic design was created by the renowned artist and decorator Maurice-Paul Chevallier (1892-1987) It is acollector's item, entirely handcrafted and hand-painted. The vase features a stylized world map on a cobalt blue background, beautifully accented with maritime motifs (caravels, compass roses) and animal motifs (polar bear, whale, etc.). The neck is highlighted by an elegant gold border. A highly exclusive limited edition of only 150 pieces worldwide.Piece number: No. 5 / 150 (one of the very first numbers in the series, particularly sought after). Official markings from the Manufacture des Émaux de Longwy are present on the baseThis famous " World Map"
