Description

Large polychrome majolica plate from Savona - Early 18th centuryA beautiful polychrome majolica plate from Savona, dating from the early 18th century, featuring a rich and lively figurative decoration of great charm.In the center is a depiction of a couple in period clothing, captured in motion within a landscape featuring architecture, trees, and rocks.The scene is embellished with elegant, stylized floral motifs arranged in sinuous tendrils that harmoniously traverse the entire surface of the plate.Particularly beautiful is the vibrant polychromy, with intense shades of blue, ochre yellow, green, and brown, which lend the composition remarkable freshness and a pleasing decorative effect.An interesting example of Savona's early 18th-century ceramic production, notable for the richness of its
