Description

A Barocchetto-style sideboard made of walnut, dating from the early 20th century in Italy. It features a curved front embellished with four drawers in the lower section, flanked by four doors below that offer ample storage space. The side panels are decorated with floral and foliage carvings, adding a touch of elegance and refinement to the piece. The legs, which are also curved, contribute to the overall sinuousness of the design. Ideal for spaces that call for a piece of furniture that combines functionality with classic style.Product condition:Due to its age and wear, this piece requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes
