Description

Round Art Deco-style coffee table made in Italy in the early 20th century. The structure features a square central post flanked by four elegant turned columns. These rest on a contoured base with four brass-covered feet, which provide stability and a touch of sophistication. The minimalist design and clean lines make this coffee table a perfect example of the understated elegance typical of Art Deco, ideal for enhancing any space with a touch of history and style.Product condition:Due to its age and wear, this item may require restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
