Description

We present this 7-volume series by Joseph Jérôme Lefrançois de Lalande (1732-1807), the renowned French astronomer.This is the third edition, revised and expanded, published in Geneva in 1790. This work follows his journey undertaken in 1765-1766. It served as a reference guide for travelers on the Grand Tour for over a century.Unfortunately, we do not have the eighth volume, which serves as an index and contains maps.Very good overall condition.Free shipping within France.
