Damiani Five-stone Channel Set Diamond Band Ring In 18-carat Yellow Gold

1 200 EUR

Signature : Damiani

Period : 20th century

Condition : Très bon état

Description

Elegant five-stone diamond band ring signed by the prestigious Italian Maison Damiani, crafted in 18-carat yellow gold (750/1000). The ring features a slightly domed band with beautifully understated lines.The setting holds five natural brilliant-cut diamonds, each weighing 0.04 ct, for a total diamond weight of 0.20 ct. The stones are securely set in a channel setting.The ring is hallmarked with the 750 gold fineness mark, the maker's mark 1481AL, attributed to Maison Damiani, and the Damiani name engraved in elegant cursive lettering.A refined and timeless jewel, combining understated elegance with the fine Italian goldsmithing craftsmanship for which the Damiani Maison is renowned.Details:Maison: DamianiMetal: 18-carat yellow gold (750/1000)Gemstones: 5 natural brilliant-cut
