Description

Large Guilloché Carved Wooden Frame - Early 20th CenturyImpressive large Guilloché frame dating from the early 20th century, crafted from carved wood and distinguished by its refined geometric relief decoration.The frame features an architectural structure of remarkable depth, with an elaborate succession of mouldings, fluting and Guilloché ornamentation, creating an elegant interplay of light and shadow.Particularly noteworthy is the craftsmanship of the corners and surrounding decorative bands, enriched with repeating geometric patterns and shaped elements that give the frame a monumental appearance and distinctive character.The dark wood finish further enhances the richness of the carving and the elegance of its proportions.A highly decorative and impressive frame, particularly suitable for
