Description

Solid Sipo Wood Wine Cabinet from the 1980sThis solid Sipo wood wine cabinet from the 1980s, originally used in a wine cellar, can hold 48 bottles and 24 glasses. Its hinged front allows you to display the bottles.The piece has been stripped and lightened, then protected with a matte varnish that preserves the wood's natural appearance. This wine display cabinet combines storage with the ability to showcase your bottles.Dimensions: (H x W x D) 126 x 109 x 70 cm
