Regency Table

2 800 EUR

Signature : Jansen

Period : 19th century

Condition : Bon état

Length : 77

Height : 64

Depth : 45,5

Description

An 18th-century gilded wooden coffee table with a Coromandel lacquer top, most likely the work of a decorator such as the Jansen firm in Paris. The base is made of gilded wood, featuring beautiful inlay work; it is doweled and constructed in the style of 18th-century furniture. I date it to the late 19th or early 20th century.
