Description

Modernist ring in 18K yellow gold, 750/°°° and platinum (fineness over 800/°°°) in the shape of a Boteh adorned with a gray moonstone cabochon accented by a row of brilliant-cut round diamonds France, circa 1970. In the style of FredRing size (resizing available upon request): 56Gross weight: 10.55 gMinor traces of old soldering under the settingThis ring has been treated with our Precious Recycling service. In fact, this ring--with its movement and dynamism so characteristic of the 1970s--was once adorned with a coral cabochon.Our design studio, building on a successful previous project for Myrtille (aka Histoire Seconde), selected and had a gray moonstone cabochon cut into an elliptical shape to give this ring a magical twist that balances mystery and surprise!To learn more about
