Description

RenéAubert (1894-1977): "The New Scooter," oil on canvas 132 × 97 cm, mounted in its original gilded Louis XIII-style frame, 144 × 110 cm.A very minor restoration on the back, not visible from the front.Circa 1930.The artist, a regular exhibitor with the Artistes Français and also a forensic illustrator, served as a drawing instructor and later as director at the Beaux-Arts in Versailles.One can guess that this young boy, portrayed in the gardens of Versailles, won't keep the immaculate white of his outfit for very long !Please feel free to ask us for additional photos or information via email or phone.More photos and many other items are available in our Pau store and on our Proantic website.
