Naturalistic Chandelier

270 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Metal

Diameter : 40cm

Height : 60cm

Description

Naturalistic chandelier.The leaves are impressively lifelike.This composition achieves balance through the gold pigments and the white enameled flowers.It evokes a sense of balance, as if emerging from a flow of vegetation.Even the rope seems to be enveloped and overgrown by the branches in constant motion.The harmony is enhanced by the careful attention to proportions.Screw-in light bulb, electrical system inspected.Delivery available, not included in the price.
