Description

Miguel Berrocal (1933-2006) - "Micro-David" (Opus 120) - Disassemblable Puzzle Sculpture Pendant, c. 1969-1971Beautiful and iconic interlocking puzzle sculpture titled "Micro-David" (Opus 120), designed by the celebrated Spanish artist Miguel Ortiz Berrocal between 1969 and 1971.This ingenious micro-sculpture consists of distinct elements that seamlessly interlock to form the classic male torso. True to Berrocal's signature style, the sculpture conceals surprise elements in its interior, including a hidden ring.o Material: Polished brass / nickel-plated metalo Signature: Clearly stamped with the artist's signature "Berrocal" on the shoulder element.o Condition: Excellent vintage condition. The sculpture is structurally sound and perfectly tight, indicating
