Orange-yellow Glazed Earthenware Pitcher, From Provence. Late 19th Century

130 EUR

Period : 19th century

Condition : Bon état

Description

Large yellow glazed earthenware pitcher with a pinched spout, orange-yellow in color with glaze runs. From Provence (Salernes or Uzès), late 19th century. Height to the spout: 31 cm Diameter at the base: 14 cm Note: A few chips in the glaze and some chipping (normal wear and tear for everyday utensils of that era) but nothing serious--it's all part of its charm and authenticity.
