Description

An elegant and imposing living room lamp crafted from a glazed ceramic vase, featuring a rich polychrome design inspired by the Far East, in the style of Japanese Imari ware.The generously rounded body is adorned with a remarkable floral composition combining blooming flowers, stylized foliage, and flowering branches.The upper section features a particularly refined design of broad ornamental drapery, embellished with floral and geometric motifs.The piece as a whole offers a beautiful harmony of colors, combining deep cobalt blue, red, white, and golden tones against a light background featuring a fine network of glaze cracks.The ceramic piece rests on an elegant circular base made of turned and molded wood with a brown patina. Mounted as a lamp and topped with a
