Description

A superb 18th-century Neapolitan gouache. It depicts the Bay of Naples, bustling with figures and boats on multiple levels, against a backdrop of a rocky coastline and a watchtower. Executed with remarkable finesse; unsigned but undoubtedly the work of a highly skilled artist. Good condition (minor signs of age). Late 18th-century gilded wood frame (original gilding). Good condition. Frame dimensions: 57/49. Gouache dimensions: 42/33.
