Description

Very large 4-arm candelabra (58 cm tall) in the Flemish Gothic style.A spectacular and highly decorative piece made of cast bronze, with the circular base turned on a lathe. The base is topped by an openwork collar and a shaft with bands supporting the four lateral arms, each featuring double volutes. The central upper section features a full-length figure of the crowned Virgin Mary holding the Baby Jesus, a motif very common in Flanders during the Gothic period.The piece is in superb condition and dates from the second half of the 19th century.Note: Shipping to France is available via Colissimo with tracking and insured delivery requiring a signature: 40 euros. Shipping to other destinations available upon request.
