Description

Set of three ornithological lithographic reproductions based on works by John Gould (1804-1881), presented in beautiful antique gilded frames.A charming set of three color lithographic reproductions based on the works of the famous British ornithologist and illustrator John Gould (1804-1881), particularly renowned for his remarkable depictions of exotic birds in the 19th century.These three delicate compositions depict various species of birds with colorful plumage, set against finely drawn flowering branches and foliage. The precision of the details, the richness of the colors, and the elegance of the compositions evoke the refinement of the great ornithological publications of the era.The set includes three subjects:Nectarinia Gouldiae - A delightful

composition depicting sunbirds with plumage in vibrant shades of red, yellow, and green, set among tropical vegetation.Spathura solstitialis - An elegant study of hummingbirds with long tail feathers, depicted among slender flowering branches.Delichon Nipalensis - A delicate depiction of three swallows with contrasting plumage, perched on slender branches.Each lithograph is presented in an antique gilded frame, whose patina and understated elegance perfectly highlight the delicacy of the illustrations.These three works form a particularly harmonious decorative set, ideal for a library, an office, a living room, or a country home. They will also fit perfectly into a classic interior, among antique paintings, botanical engravings, or other works dedicated to natural history.Specifications:Artist: After John Gould (1804-1881)Subject: Ornithological studies, exotic birdsTechnique: Color lithographic reproductionsNumber: Set of threeDimensions: 46 × 33 cm eachFraming: Antique gilded framesFor sale: Set of three works that cannot be separatedCondition:The three lithographs and their frames appear to be in good overall condition. The antique gilded frames show some signs of wear and the passage of time, consistent with their age, which contribute to their charm and authenticity.Please examine the photographs carefully to assess their condition and the details of the frames.Please note: These are color lithographic reproductions based on illustrations by John Gould, not original 19th-century lithographs.A delightful decorative set, combining the charm of antique naturalist illustrations with the elegance of period gilded frames.
