Description

This charming little box is undoubtedly a one-of-a-kind piece, likely a cabinetmaker's exam project. The marquetry is so original--not to say "unprecedented," as antique dealers used to say. Crafted from two distinct, contrasting woods--walnut and maple--it features geometric patterns. As for the passage of time, it has certainly left its mark, giving the piece a superb patina. It still has its key. Shipping available in France and internationally; contact me for details
