Description

Large antique six-tier solid softwood shelf - 19th century A beautiful, large antique shelf made of solid softwood, featuring an elegant open design and a lovely honey-brown patina.This piece stands out for its six storage levels, including the top panel and five shelves, whose slightly rounded edges lend a sense of softness and elegance to the overall design.The shelves are supported by attractive carved and scroll-cut brackets mounted on the side posts, reflecting traditional craftsmanship.Its slender structure, understated lines, and rustic character give it great charm.This shelf would be equally at home in a library, a country kitchen, a boutique, or a home with character, serving as a display for books, earthenware, antiques, and collections.The wood features a beautiful aged patina, with its
