Description

Important Chinese Black Lacquer Display Cabinet with Bird and Flower Decorations - 20th Century An impressive and elegant Chinese-style display cabinet, crafted from black lacquered wood with rich polychrome and gilded decoration, depicting birds flitting among flowering branches.This generously sized piece features a particularly decorative architectural composition, with a slightly projecting central section flanked by two side sections.The central section opens with four doors arranged in two tiers, separated by two drawers. The doors are adorned with delicate floral compositions enlivened by birds, in the style of traditional Chinese decoration.Each of the two side sections features a glass-paned door in the upper portion, allowing for the display of porcelain, objets d'art,
