## Description

Gilded Bronze Planter with Bird and Flower Decor - Far Eastern Style A beautiful antique oval-shaped planter, made of bronze with a gilded patina, featuring rich Far Eastern-inspired relief decoration.The body is adorned with an elegant naturalistic composition depicting birds among flowering branches, foliage, and blooming flowers.The finely crafted decoration notably features a wading bird with detailed plumage, accompanied by other birds in a botanical setting.The upper rim is accented by a frieze of stylized motifs, while the ends are adorned with animal heads serving as decorative handles.The piece rests on four small, curved feet ending in scrollwork.The interior has a dark patina and signs of age.This particularly decorative planter can hold a dried flower arrangement or be
