Description

Large Black Lacquered Sideboard with Asian-Inspired Decor - 240 cm A very elegant and imposing sideboard with a curved shape, featuring a rounded front and ends, crafted from black lacquered wood with rich polychrome and gilded decor inspired by the Far East.This piece stands out for its large size and the delicacy of its decoration, which depicts cranes among pine trees, flowering branches, and birds in a delicately composed natural landscape.The gilded motifs, accented with shades of red, pink, and orange, contrast harmoniously with the depth of the black lacquer.The front features several doors, whose panels are framed by fine gilded moldings with geometric patterns. The Asian-style gilded metal hinges and keyholes add an extra touch of refinement.The rounded ends are also adorned
