Description

Antique-Green Patina Bronze Wall Bell with Figurative Decor - Neo-Renaissance Style - H. 50 cm A beautiful and imposing decorative wall bell made of metal with an antique green patina, featuring rich relief decoration and an elegant openwork bracket adorned with scrollwork, foliage, and flowers.The bell, with a flared shape, is adorned with geometric friezes and a large figurative scene in relief, composed of figures and ornamental motifs.It hangs from a richly crafted bracket with elegant curves and plant motifs, resting on an equally ornate wall plate.The ensemble evokes the decorative works in the Neo-Renaissance and historicist styles of the late 19th century.The bell retains its inner clapper, visible in the photographs.Characteristics:Period: second half
