Description

Napoleon III-Era Notary's Clock in Black and Red Marble - 19th Century An elegant Napoleon III-style mantel clock, featuring a beautiful, monumental design in black marble and veined red marble, characteristic of pieces from the second half of the 19th century.Its design consists of a circular dial surmounting a body with columns and pilasters, featuring side scrollwork, moldings, and decorative elements in red marble.The white enameled ring-shaped dial features black Roman numerals, surrounded by a finely decorated gilded brass bezel.The central section reveals the movement's components, while two openings allow for winding the mechanism.The lower section, largely openwork, reveals the gilded pendulum, adding a touch of elegance to the overall design.This clock is
