Timbale, With A Stand, Engraved Silver, Minerva Hallmark, 155 Grams

260 EUR

Period : 20th century

Condition : Très bon état

Material : Sterling silver

Diameter : 9 cm

Height : 11 cm

Description

A very finely engraved footed goblet featuring shells, lozenges, and a fluted foot Very early 20th century.A classic engraving with a beautiful effect.Minerva hallmark on the body of the timbale and on the base; the silversmith's hallmark is difficult to read, as is often the case with this type of small object.Very good condition--if not perfect--with no chips or scratches.Weight: 155 g
