Description

This elegant Louis XV-era writing desk, crafted from solid walnut in the 18th century,features a beautiful curved front with harmonious lines and the characteristic forms of furniture from that period. The lower section opens with two drawers adorned with gilded bronze handles and keyholes, featuring a decorative central medallion.The upper section conceals a drop-down writing surface, revealing a carefully organized interior with several small storage drawers and compartments. The sides are also curved and adorned with elegant moldings. It rests on attractive arched legs finished with spurs.This piece captivates with its walnut craftsmanship, warm patina, and elegant Louis XV silhouette. A piece of character that refinedly combines elegance, authenticity, and functionality.For more
