Description

Family portrait daguerreotype, circa 1845This daguerreotype centers on the figure of the family patriarch, who is posing with his hand resting on his cane and wearing a sturdy work jacket characteristic of the late 18th century.The son proudly rests his hand on his father's shoulder, and on the left, the wife and child flank the patriarch.The clothing and hairstyles featuring smooth headbands allow this daguerreotype to be dated to around 1840.The image is presented in its original oval frame with gilded trim.- Image size: 12 x 9 cm- Frame: 17.5 x 14.5 cmLink to the website https://www.lavalisearlesienne.com/product-page/daguerr%A9otype-family-portrait-circa-1840
