Art Deco Glazed Stoneware Vase - Boch Frères Kéramis - Belgium, Circa 1930

180 EUR

Period : 20th century

Condition : Très bon état

Material : Sandstone

Description

Glazed stoneware cone-shaped vase from the Boch Frères Kéramis factory in La Louvière (Belgium), Art Deco period, circa 1930.Tronconical in shape with a wide, flared neck, it features a beautiful stylized floral and geometric design in a harmonious blend of cobalt blue, green, and gray-green.The body is adorned with radiant flowers with elongated petals, surrounded by small dots and foliage motifs. The flared neck is accented by a wavy frieze punctuated with dark blue dots, while the lower section features a matching geometric design.The piece as a whole offers a beautiful decorative composition, characteristic of the Art Deco style, with subtle shades of satin-finish glazes.On the underside of the base, a handwritten inscription reading "Grès Kéramis," the mold number 926
