Description

A 1900 gilded bronze ring sizer in the Art Nouveau style, signed by the sculptor Georges Omerth (1895-1925). It rests on a circular base of griotte marble bearing a plaque inscribed "La pensée." The bronze sculpture depicts a woman dressed and styled in the pure Art Nouveau style; she holds an oval mirror in which she can see her reflection. The base is composed of water lilies that serve as a ring holder. The artist's signature is engraved on the piece.
