Description

PANC178 - An elegant set consisting of four armchairs made of solid walnut, crafted in the first half of the 19th century.The seats feature harmonious, well-proportioned lines, with a slightly contoured backrest embellished with carved floral motifs and central rosettes.The gently curved armrests are finished with refined leaf-shaped carved details, lending the piece a sense of grace and movement.The turned, tapered front legs reflect the neoclassical style still prevalent in furniture production during the early decades of the 19th century, while the solid construction attests to excellent craftsmanship.The upholstered seats are covered in decorative fabric (shown below), which can be easily customized to suit your furnishing needs.Dimensions: L 55 x D 55 x H 90 cm (seat
