Description

A charming little Louis XV-style chest of drawers, dating from the late 19th century, resting on four elegant, curved legs.The front features two drawers adorned with delicate gilded bronze handles and keyholes, accented with fine fillet marquetry.The sides also feature attractive fillet decoration, lending the piece a great deal of refinement.It is topped with a beautiful original marble slab, featuring lovely pinkish and veined tones, in excellent condition.The bronze fittings have been carefully cleaned and restored to their full luster. The chest of drawers features a beautiful varnished finish that highlights the warmth and hues of the wood.It comes with its original key.With its elegant proportions and refined appearance, this small chest of drawers will easily find its place in a bedroom, entryway,
