Description

PANC180 - 6 Louis XVI-style chairs, clearly not period pieces.The chairs feature the characteristic oval "medallion" backrest, typical of the neoclassical style, with a lacquered wooden frame in shades of sage green and delicate gold trim that accentuates their lines. The legs are turned and fluted, slender and refined, consistent with the 18th-century-inspired style.The seat and backrest are padded and upholstered in a blue fabric with a repeating ivory-colored decorative pattern--elegant and understated--which contrasts pleasantly with the frame. The upholstery appears generous and comfortable, suitable for both a formal dining room and a classic-contemporary setting.Dimensions: L 50 x D 45 x H 96 cm (seat height 50 cm)
