Description

Lock-and-percussion pistol - Throwing bayonet - Liège, 19th century.Description: A beautiful mid-19th-century self-loading pocket defense pistol. This is a box-cased percussion model (forced-ball barrel) equipped with a rare folding/throwing bayonet mounted under the barrel.Origin: Manufactured in Liège; bears the famous ELG hallmark (a guarantee of period authenticity).Mechanism: Excellent mechanical function. The hammer has crisp, firm notches.Bayonet: The emergency deployment mechanism for the triangular blade is fully functional.Appearance: The stock is beautifully engraved with scrollwork and floral motifs. The metal has a very fine original gray patina, sound and free of deep rust pitting.Wood: Original walnut stock, in superb condition, with no cracks
