Black Horn And Red Coral Pendant With An 18-karat Gold Setting

200 EUR

Period : 20th century

Condition : Très bon état

Material : Horn

Length : 5,5 cm

Width : 3 cm

Description

An elegant vintage artisanal pendant featuring a large, finely polished rectangular black horn slab with rounded corners. Inset at the center is a natural fragment of Mediterranean red coral (Corallium rubrum), deliberately left raw and unpolished to create a striking material and color contrast with the mirror-like surface of the slab. The pendant is topped with an 18 kt yellow gold bailo Period: Second half of the 20th centuryo Materials: Horn, natural red coral, 18k yellow gold (750 hallmark)o Condition: Excellent overall conditiono Dimensions: 5,5 x 3 cmThe chain for the pendant is not included
