4-door Oak Cabinet

1 400 EUR

Period : 19th century

Condition : Bon état

Material : Oak

Length : 98

Height : 167

Depth : 38

Description

A beautiful oak cabinet with four paneled doors, featuring attractive exposed wrought-iron hinges that enhance its design. The front is entirely original. Interestingly, the piece features one paneled side and one smooth side, evidently made to order. Above the top cornice, given its particularly compact dimensions, there is a usable shelf. Dimensions: 98 x 38 - height: 167 cm
