Description

Table lamp by Lucien Gerfaux, 1930sAn elegant table lamp designed by Lucien Gerfaux, a French artist, embodying the Art Deco style. The body, with its characteristic oval shape, is embellished with a combination of dark, tortoiseshell-effect surfaces and mirror-finish chrome accents, creating a striking interplay of contrasts and reflections (Dinanderie).The geometric shapes, clean lines, and combination of materials give the piece a strong decorative personality, making it a truly captivating piece of furniture.A very small dent on the lower part... almost invisible... that does not detract from its aesthetic appeal. See photo.Dimensions: height 20 cm, diameter 45 cm
