Description

Large neoclassical-style bronze candlestick with two patinas, mounted on a base made of various types of marble.A beautiful "Caryatid" design in bronze with a brown patina, supporting a gilded bronze upper section; the entire piece is mounted on a circular, stepped pedestal base made of black marble with a "Vert de Mer" marble inlay.The figure of the caryatid is depicted as a draped goddess with an ancient-style hairstyle, holding a laurel wreath in one hand and the gilded bronze torch in the other....Beautiful craftsmanship and a lovely antique patina.A classic and highly decorative piece in good condition.Note: Shipping to France is available via Colissimo with tracking and insured delivery requiring a signature: 30 euros. Shipping to other destinations available upon request.
