Pair Of Large L XV Armchairs

6 800 EUR

Period : 18th century

Condition : Bon état

Material : Gilted wood

Length : 75

Height : 109

Depth : 78

Description

A pair of large, early 15th-century armchairs with flat backs and crossbars, made of gilded wood. They need reupholstering, but the upholstery is still in good condition. The seats are strapped, not spring-supported. The decorative motifs are mirrored: the rocaille shell motif extends to the right on one arm and to the left on the other. The gilding is old but certainly not original
