Roma Super Compressor 42mm 1968 Automatic - Same As Heli-reymond -

550 EUR

Period : 20th century

Condition : Très bon état

Material : Metal

Diameter : 42mm

Description

Rare Roma Super Compressor watch with an EPSA (Ervin Piquerez SA) case, circa 1968.This is a Heli-Reymond Super Compressor made for the Italian market.The upper crown rotates the inner bezel, which is graduated for regattas, making this a yachting watch.ETA mechanical self-winding movement with date at 9 o'clock.Approximately 42-hour power reserve.Steel case, 42 mm in diameter excluding the crown, 43 mm including it, 42 mm from lug to lug, in excellent condition.Thickness: 17 mm including the crystal.Lug width: 22 mm.Compressor-style screw-down case back.Dark blue dial with luminous hour markers and date at 9 o'clock in very fine condition, completely original and with no missing parts. Very nice patina.Luminous steel hands matching
