2 400 EUR

Period : 20th century

Condition : Bon état

Material : Wallnut

Width : 36

Height : 75

Depth : 32.5

Description

An Art Nouveau side table in figured walnut from Belgium, made around 1900, in the manner of Henry van de Velde. The arched slab legs flow down from the square top to a lower shelf and end in shaped feet.The clean, organic lines and the beautiful grain of the walnut make this a calm and elegant piece, typical of the Belgian Art Nouveau.A versatile side table or plant stand next to a sofa or armchair, or in a hallway.The accompanying photographs are considered part of the description and provide additional details regarding condition, craftsmanship, and finish.Dimensions:Height: 75 cmWidth: 36 cmDepth: 32.5 cm
