Description

A large rustic two-door cabinet in pine from Spain, made around 1800. The doors are covered with geometric raised panels and are closed with a hand-forged wrought iron lock and hinges. Inside there are shelves.The deep, warm patina of the old pine and the honest, sturdy construction give this cabinet a strong presence.A characterful storage piece for a kitchen, dining room, hallway or bedroom.The accompanying photographs are considered part of the description and provide additional details regarding condition, craftsmanship, and finish.Dimensions:Height: 180 cmWidth: 125 cmDepth: 56 cm
