Description

Large, richly carved Renaissance-style walnut coffee table - 19th century A very beautiful and imposing coffee table made of solid walnut in the Renaissance style, crafted in the second half of the 19th century.This table stands out for its richly carved decoration and its particularly refined design, inspired by French Renaissance furniture.It features a large rectangular top with a molded frame, accentuated by a remarkable carved frieze of scrolls, foliage, and ornamental motifs.The thick band is richly carved with plant motifs, gadroons, and rosettes in relief.The architectural base rests on fluted columns with carved capitals, joined by a large, low, molded crossbar adorned with decorative friezes.The ends rest on wide feet featuring scrollwork and carved foliage, lending the piece great stability and a
