Pair Of Bedside Mirrors With Brackets, Germany, Circa 1840

16 000 EUR

Period : 19th century
Condition : Très bon état
Material : Marble
Width : 104
Height : 300
Depth : 25

Description

A superb pair of mantel mirrors with their matching consoles. The frames, richly molded and carved, are gilded and accented with touches of silver luster. The consoles rest on profiled bases featuring turned and carved columns and are topped with white marble slabs, which were added recently. The original period mirror panels have been preserved and show signs of age-related discoloration as well as some loss of gilding.
