Description

An elegant Murano glass centerpiece, characterized by a distinctive asymmetrical and sinuous shape, with elongated contours that rise at the ends. The glasswork creates a refined interplay of transparency and reflections, with a striking color combination of cobalt blue and amber tones. The central section features sculptural detailing with volumes and ripples that lend depth and movement to the piece as a whole.Origin: ItalyPeriod: 20th centuryDimensions: 58x16x23h cm
