Description

18th-century Louis XVI armchair18th-century Louis XVI armchair, featuring the beautiful design characteristic of furniture from this period.The straight backrest is framed by carefully molded side panels, with elegantly designed armrests and turned supports. The chair rests on four tapered legs, giving it a simple and refined silhouette typical of the Louis XVI style.The upholstery is a red and cream geometric-patterned fabric, accented with beautiful tufted detailing. The seat, backrest, and armrests are harmoniously upholstered.An elegant 18th-century armchair with balanced proportions that will easily find its place in a classic interior or in a collection of antique furniture.Period: 18th centuryStyle: Louis XVIHeight: 85 cmWidth: 57 cmDepth: 48
