Description

Dimensions: 71 x 50 cm - Height: 145 cmChiara floor lamp designed by Mario Bellini in 1964 and manufactured by Flos.Mario Bellini is one of Italy's greatest designers. His creations are characterized by a keen sense of form and proportion, an innate respect for the properties of materials, and a constant focus on functionality. The Chiara floor lamp, for example, forms a column from a single sheet of folded stainless steel, with a white interior and a diffusing shade.This model is a FLOS edition dating from around 2020.
