Vintage Lithographed Tin Motorcycle With A Spring-powered Mechanism - Payá

750 EUR

Signature : PAYA

Period : 20th century

Condition : Très bon état

Material : Brass

Description

A magnificent vintage toy depicting a motorcycle, made of lithographed sheet metal by the prestigious Spanish company Payá Hermanos, located in Ibi (Alicante). It belongs to the 807 Series and dates approximately from the period 1940-1950.The motorcycle is equipped with a clockwork mechanism operated by a key, which powers its movement. It also features an ingenious percussion system that reproduces the characteristic sound of a running motorcycle engine: "pac, pac, pac."A charming piece from mid-20th-century Spanish toy production, notable for its design, lithographed decoration, and original sound mechanism.Condition: Excellent, with slight signs of use and wear from age, consistent with its age.Manufacturer: Payá Hermanos, Ibi (Alicante), Spain.Model: Series
