Description

Large polychrome majolica plate made in Florence - Early 20th centuryA large and elegant decorative polychrome majolica plate made in Florence, dating from the early 20th century.The plate features a richly detailed Renaissance-inspired decoration, executed entirely by hand in the tradition of Tuscan artistic majolica.The wide rim is adorned with an elaborate repertoire of grotesques, featuring fanciful winged creatures, elegant plant scrolls, floral motifs, and cartouches, arranged harmoniously around the entire circumference.At the center of the composition stands a medallion depicting a female bust, framed by a refined ornamental structure and flanked by fantastical figures, fluttering ribbons, and a bountiful basket of flowers and fruits.Particularly beautiful is the
