Description

A pair of large wall sconces with two light arms, adorned with a hand-carved vine motif. Grape clusters in high relief alternate with large leaves featuring deeply carved veins and openwork tendrils. The gilded highlights and coppery hues of the foliage contrast with the brown patina of the grape clusters.Each sconce features two curved metal arms, adorned with flower-shaped cups. Standing 61 cm tall, these wall sconces create a slender composition that highlights the sculpture's relief.Period -- Late 19th century or first half of the 20th century, proposed dating.Materials -- Carved and patinated wood with gilded highlights; metal arms.Dimensions -- Height of each wall sconce: 61 cm.Condition -- Sculptures in very good condition. Metal arms have been reattached. Wall sconces were
